

August 20, 2019

Halifax Water and the Halifax Regional Municipality are upgrading infrastructure on **Wanda Lane, Tobin Drive and Ronald Court**. Halifax Water's work includes the replacement of the water and wastewater system in various areas, the addition of a deep stormwater system on Wanda Lane, and channel improvements in Ellenvale Run. The municipality is undertaking various street improvements including curb, gutter and sidewalk work, as well as the replacement of the bridge on Tobin Drive.

## Project Update - Weeks of August 26 & September 2

### Wanda Lane

- Excavate/break/install/ backfill sanitary and storm mains
- Sanitary, storm and water services install
- Continue asphalt removal up Wanda Lane
- Continue full depth gravel removal and replacement with type 2 gravel
- Continue to install water main
- New storm install from Tobin Drive to Mount Edward

### Tobin Drive

- Storm/sanitary/water lateral replacement
- Install water main
- Asphalt/gravel removal
- Type 2 roadway gravel placement

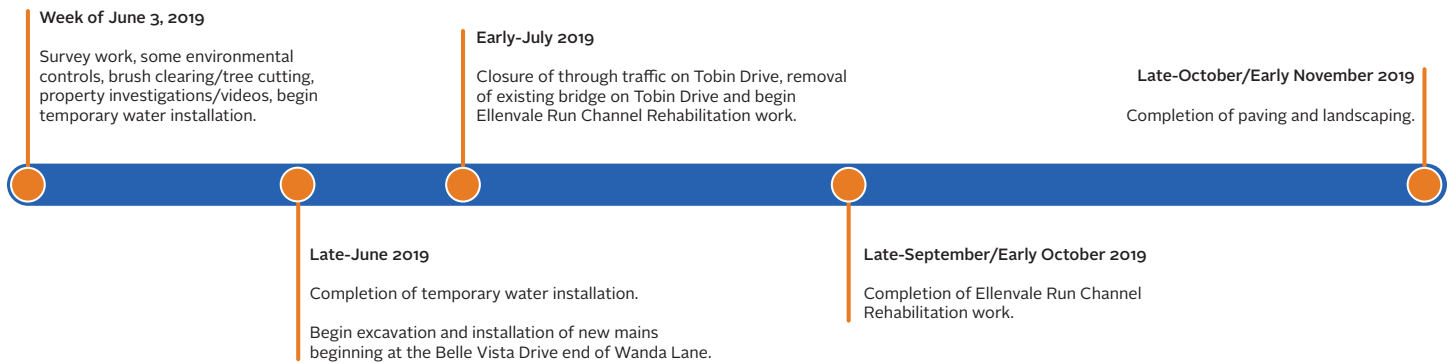

### Ellenvale Run

- By-Pass pumping
- Removal of brook infill/ excavation
- Rock mitigation measures
- Rock removal
- Prep bedding for concrete liner
- Liner installation and backfill
- Placement of stone/riffles in liner
- Place bridge abutments

### Ronald Court

- Complete wastewater main to Wanda Lane
- Complete water main to Wanda Lane

## Project Timeline

## Halifax Water Billing Estimates

While properties serviced by Halifax Water are receiving water through temporary water lines, water meters do not measure water use, as a result, water use is estimated based on water use from that same property during a similar billing period. If you have any billing related questions, please contact the Halifax Water Customer Care Centre.
