Monday, Oct. 21 - Friday, Oct. 25

- Landscaping Reinstatement
- Fencing Reinstatement
- Street Reinstatement

Monday, Oct. 28 - Friday, Nov. 1

- Fencing Reinstatement
- Street Reinstatement
- Demobilize

Project Timeframe

What to Expect

The contractor will have heavy equipment on the roads to facilitate stream reconstruction. Traffic will at times be delayed as temporary traffic control measures may be in place in the areas of work. Work will also be progressing within the channel. Residents can expect to see heavy equipment within the channel removing the existing walls.

Thank You

Halifax Water appreciates how disruptive to traffic and daily routines construction work can be in communities such as this one. We appreciate your cooperation in allowing us to complete our work in such close proximity to your homes and for your patience throughout this project.
