

November 15, 2019

Halifax Water and the Halifax Regional Municipality are upgrading infrastructure on **Wanda Lane, Tobin Drive and Ronald Court**. Halifax Water's work includes the replacement of the water and wastewater system in various areas, the addition of a deep stormwater system on Wanda Lane, and channel improvements in Ellenvale Run. The municipality is undertaking various street improvements including curb, gutter and sidewalk work, as well as the replacement of the bridge on Tobin Drive.

## Project Updates: Weeks of November 18 & 25

### November 18 - 23

- Base layer of asphalt on Wanda Lane and Ronald Court
- Adjust hardware on base layer of asphalt
- Hand form curb on Wanda Lane and Tobin Drive
- Grade for sidewalk on Wanda Lane
- Form and pour sidewalk on Wanda Lane
- Complete Redi Rock tie-in at box culvert on Tobin Drive
- Grade type 1 gravel on Wanda Lane and Tobin Drive
- Landscaping work

### November 25 - 30

- Asphalt milling Wanda Lane at Belle Vista Drive
- Top lift of asphalt as sections are ready
- Rails on walls along Ellenvale Run
- Continue landscaping work
- Site clean-up

## Street Parking & Access to Driveways

Throughout November, the contractor, Dexter Construction will be working to install sidewalks, curbs, gutters and then lay asphalt. This work involves the precise placement and compaction of gravel, followed by concrete form installation, concrete pouring, finishing, and curing time.

This work will take place in a number of phases, each phase will require a section of the project area to be closed to traffic/parking/driveway access.

Going forward, Dexter Construction will communicate directly with residents with regard to street parking and driveway access restrictions. Efforts will be made to give ample notice before a section of the project area is inaccessible by vehicle.

We thank you for your cooperation.
